

Copyright Transfer Agreement From

The following agreement, executed and signed by the author, is required with each manuscript submission.

Manuscript title:

Author(s) name:

Corresponding author name and email address:

The above-mentioned manuscript submitted for publication in Journal of Geomine (JGM) has not been published before, and it is not under consideration for publication in any other journals (except in the form of an abstract or as part of a published lecture or thesis). It contains no matter that is scandalous, obscene, libelous, or otherwise contrary to law. Transfer of copyright to JGM becomes effective if and when the article is accepted for publication. After submission of the Copyright Transfer Agreement signed by the corresponding author, changes of authorship or in the order of the authors listed will not be accepted by JGM. I, as the corresponding author, hereby agree to transfer to University of Birjand all rights, all material to be published as part of the Article (in any medium), including but not limited to tables, figures, graphs, movies, other multimedia files, and all supplemental materials, under existing copyright laws, except for use in classroom teaching or for internal distribution within the institution that employs me. I agree that copies made under these circumstances will continue to carry the copyright notice that appeared in the original published work. I agree to inform my co-authors, if any, of the above terms. I certify that I have obtained written permission for the use of text, tables, and/or illustrations from any copyrighted source(s) and I agree to supply such written permission(s) to University of Birjand upon request. I (we) accept all the items of the publications ethics of JGM which is on the site of the journal.

AI Tools Usage Declaration Form

for Scientific Manuscript Preparation

This form has been designed in accordance with the Guidelines for the Use of Artificial Intelligence (AI) Tools in research. Its purpose is to ensure transparency and ethical commitment in the appropriate use of AI tools in the research and publication process.

Section 1: Manuscript and Author Information

Title of the Manuscript:

Corresponding Author:

Email Address:

Co-authors:

Section 2: Statement on the Use of AI Tools

Please select the appropriate option:

- ☐ **No Use of AI Tools:** No AI tools were used in the preparation of this manuscript.
- ☐ **Use of AI Tools as Research Assistance:** AI tools were used solely as supportive research assistants within the permitted scope outlined below.

If the second option is selected, please specify:

Area of Contribution	AI Used	Description of Use (including name of tool/software)
Conceptualization / Idea Development	☐ Yes ☐ No	
Literature Review / Source Search / Summarization	☐ Yes ☐ No	
Content Generation (writing text, paragraphs, or sections)	☐ Yes ☐ No	
Tables and Figures Generation	☐ Yes ☐ No	
English Language Editing / Grammar / Style	☐ Yes ☐ No	

Section 3: Ethical and Scientific Commitments of the Author(s)

- AI tools were used solely as research assistants and under full human supervision and review.
- Full responsibility for the content, accuracy of data, results, analyses, and final scientific conclusions rests entirely with the human author(s).
- Any use of AI tools has been transparently disclosed in the Acknowledgments section or in a dedicated AI Usage Statement within the manuscript.

4. AI tools were not used to generate research data, fabricate results, create fictitious references, or produce scientific conclusions. All data and citations comply with accepted academic standards.
5. Intellectual property rights of third parties have been fully respected, and the manuscript is free from plagiarism.
6. Upon request by the Editor or reviewers, additional information regarding the nature and extent of AI tool usage will be provided.

Section 4: Acceptance of Responsibility and Consequences

I accept full responsibility for the authenticity and integrity of this work and commit to complying with the policies of the journal/publisher. Any violation of these commitments may result in rejection of the manuscript or retraction after publication.

Section 5: Confirmation and Signature
